LJQ-128 3 IN 1 USB Fan
Item size:75×176×58 mm

Features;

1. Circulating fan blades, low noise and strong wind
2. The pitch base is fixed to meet multi scene applications
3. The whole machine has an elevation of 5 ° to meet the daily blowing and placement of the desktop,

Conform to man-machine experience design

LJQ-128 Aroma Handheld Fan

Design source:

1. Handheld fans on the market: the wind force is relatively small and it is inconvenient to store

Design highlights:

1. Small, minimalist design

2. The use of piecemeal embellishment makes the product colorful

3. Using spiral turbine blades, the wind is strong

4. Fragrance pieces can be assembled under the decorative cover to emit fragrance

5. The switch has three gears

6. 1200 Ma with conventional 18650 battery

7. The separate base solves the trouble of hand-held and desktop use
